Ambassador's Greetings on the advent of Holy Month of Ramadan

As we start the Holy month of Ramadan, I wish everyone Ramadan Mubarak. I pray for the good-health, safety, well-being and prosperity of everyone. My Greetings to the leadership of the State of Kuwait, all our Kuwaiti friends and all members of Indian community in Kuwait and Indians back home.

Ramadan is a month of inner reflection, patience, gratitude, love, humility and self-restraint. It gives an important message of serving the needy and underprivileged. It also reaffirms the importance of equality and compassion. It teaches collective commitment towards society at large.

Ramadan is a month of special importance to India which has the second largest Muslim population in the world. It is considered a very auspicious month in India, a land with great diversity of religions and beliefs, with people from different socio-cultural and religious backgrounds living in complete harmony.

May this Holy month of Ramadan bring with it abundance of kindness, harmony and compassion. May this holy month further strengthen the bonds of unity at all levels.

Once again to all my dear friends in Kuwait and my dear brothers and sisters from India , Ramadan Mubarak; Ramadan Kareem!
