PRESS RELEASE

Launch of Indian Readers' Network

Indian Readers' Network (IRN) is a platform envisaged and created by the Embassy of India in Kuwait to connect all bibliophiles and enthusiasts of Indian literature in Kuwait.

IRN is an initiative by the Embassy to bring together on one platform, all those who read, write and research about India through activities like book reading sessions, quizzes, writing workshops and book discussion clubs, even as we celebrate 75 years of India's Independence and establishment of 60 years of diplomatic relations between India and Kuwait.

IRN's objective is to promote Indian literature and reading and writing and create opportunities to collectively take-up reading, writing and other literary activities, while maintaining social distancing during these challenging times of COVID-19 pandemic.

In this regard, all interested persons are advised to register to be a part of this initiative by registering at: <https://forms.gle/wiKJs2FsxPa9SioD8> .

The twitter handle of IRN is: @thematic_lib. Please follow IRN's twitter handle for all literary-related activities of Embassy of India, Kuwait. For more information regarding the registration, please write to us at library.kuwait@mea.gov.in .
