

Embassy of India Kuwait

PRESS RELEASE

Registration of Indian Engineers in Kuwait

Embassy of India in Kuwait has started a new registration process for Indian Engineers in Kuwait. The last registration of Indian Engineers in Kuwait was held in September 2020. This registration drive is aimed at updating the existing database which is necessary for reference purposes.

2. All Indian Engineers in Kuwait, including those who had earlier registered with the Embassy, are advised to register by filling in the online Google form at the link given below:-

<https://forms.gle/vFJaUcjjwfrqCYE6>

3. The last date for registration is 22 December, 2022.
