January 15, 2020: In order to promote Gujarat as an Education Hub of India, a delegation led by Hon'ble Minister of Education Shri Bhupendrasinh Chudasama along with Principal Secretary of Higher and Technical Education Smt. Anju Sharma will host a roadshow in Kuwait on 15th January, 2020 at Holiday Inn located at 140 Hamad Al-Mubarak St, Salmiya 22003 under the 'Study in Gujarat' campaign.

The roadshow will provide a glimpse of the thriving education sector in Gujarat and enable the interested candidates to get a first-hand understanding of the rich resources of the state in order to pursue higher education. The representatives of 22 universities and 4 colleges from Gujarat will be a part of the roadshow to provide more details to the interested candidates. The universities include Pandit Deendayal Petroleum University, Gujarat Forensic Science University, Nirma University and many others in addition to L.D College of Engineering, Gujarat Arts and Science College, Vishwakarma Government College and SAL College. The lead university for the roadshow in Kuwait is Ganpat University.

In the last decade and a half, Gujarat has been successful in establishing its identity as the leading educational hub of India. State of the art infrastructure, safe environment, curriculum at par with international standards and industry exposure gives students an edge during the course of their study.
